Gentlemen:

Regarding the enclosed bill, we already told your solicitor that we are dissatisfied with the manner in which this account was handled. When we placed our order, we were told that a commercial would be submitted to us for our approval. This was never done and we don't know to this date what and when was advertised.

We dislike paying a bill of this manner. When a satisfactory adjustment is made, we will take care of it.

Sincerely,

D. M. Lipshires
